United States District Judge

Defendant.

)

This case is before the court on the Defendant's Unopposed Motion to Continue Trial Date. (ECF No. 24.) For reasons set forth in the Motion, it is the finding of this Court that the ends of justice served by the granting of the continuance outweigh the best interest of the public and the Defendant in a speedy trial. *See* 18 U.S.C. § 3161(h)(7) ("Speedy Trial Act"). The Court makes this finding because a failure to grant such a continuance would deny counsel for the Defendant and the attorney for the Government the reasonable time necessary for effective preparation, taking into account the exercise of due diligence.

For the foregoing reasons, Defendant's Motion to Continue Trial Date is **GRANTED** and trial date is **CONTINUED** until May 11–13, 2026. The time period from December 17, 2025, until May 11, 2026 shall be excluded from the calculation of time under the Speedy Trial Act.

The Clerk is directed to forward a copy of this Order to all counsel of record.

ENTERED this 10th day of November, 2025.
